AAY PEE Industries is well-known in the industry for its capabilities of manufacturing & supplying a wide gamut of Scaffolding and Shuttering. Our range includes Cup Lock Systems, M S Girders, Acrow Spans (Telescopic Span), Telescopic Cribs, M S Pipes, Haunched Plates, Couplers (Clamps), Adjustable head U-Jacks, M S Shuttering Plates, Adjustable Base Jacks and Joint Pins. We have always been committed to fulfill the dreams of our clients. We have begun with a goal of "taking a dream, making it a reality, and providing healthy and congenial atmosphere for people to live in & work". This has helped us to develop a product range that is available as per clients needs and comes with exceptional features such as durability, precision engineering and resistance to corrosion /abrasion.

Under the astute guidance and supervision of 'Mr. Rajeev Aggarwal ', we have been able to grow by leaps and bounds. Their decade long experience has helped us maintain an excellent track record in the industry. Moreover, their urge to incorporate technological developments has facilitated us to make a record in the arena of Civil Engineering, Coal Division, Infrastructure, Casting & Forging, Project Management and Real Estate that also covers commercial, residential, leisure, healthcare and industrial properties. At AAY PEE GROUP, long-term relationship with clients, collaborative working and strategic partnerships forms the basis of our company ethos.

We have with us a team of qualified and organized people that acts as a prime factor for our company growth. Their proficiency, skills and ability to cater to the clients needs has helped us accomplish our tasks with efficiency. Moreover, owing to their expertise we have been able to meet the goals of our company within the committed time frame. All these professionals work together to achieve the bulk orders of the clients.
